• **Student Feedback on Institutional Governance/ Faculty performance:**

Feedback collected for all courses: YES

Feedback collection process: Through Online mode

Students provide feedback through online Google forms interface for each course. The student Feedback collection process is of four stages.

Stage 1: Prepare and share google forms link to the students for feedback.

Stage 2: Collect feedback from students for teachers, courses and facilities.

Stage 3: Collected student feedback data are analysed based on the categorical values such as Excellent, Very Good, Good, Poor and not satisfactory.

Stage 4: Discuss the actions for rewards system and corrective measures. Also for specific subjects faculty is evaluated out of 25 marks based on the feedback provided by students and this evaluation will be considered as one of parameter in Performance based appraisal system.

We have adopted feedback questionnaires based on feedback format sample provided by AICTE in gazette dated 1/03/2019 which is as shown in figure.

Feedback receiver: Head of Department

Frequency of feedback collection: Once in a semester

(Oral feedback from Class Representatives is taken by HOD almost every month)

Sardar Vallabhbhai Patel Education Society
R. N. G. PATEL INSTITUTE OF TECHNOLOGY

Matrices used for calculation:

- 5-Excellent
- 4-Very good
- 3-Good
- 2-Poor
- 1-Not Satisfactory

Purpose of comment: For improving the overall performance of faculty members

Sample of Corrective actions taken in the last 3 years:

1. To improve the results of few subjects following actions were taken Additional material sharing through google classroom Extra classes Weekly exams
2. To increase the industry interaction, more number of industrial visits and expert lectures were arranged. Students were also motivated to undergo internship during the semester break.
3. To improve the placement, finishing schools, special sessions on communication skills, mock interview etc. were arranged.

Average Percentage of students who participate: > 80 %

Feedback analysis process: Manually/ Analysis through Excel

- The feedback collected from students is first analysed by program assessment committee (PAC).
- For a respected Faculty, for a respected course taught by faculty marks are calculated out of 25 considering following formulas by considering student feedback as basis.
Faculty evaluation (out of 25) = (Average Student Marks based on Input Scale / 60) * 25
- The contents of the feedback are shared with each faculty members individually and corrective measures will be taken and recorded using following format.

NOTES:

National Programme on Technology Enhanced Learning (**NPTEL**) is a project of MHRD initiated by seven Indian Institutes of Technology (**Bombay, Delhi, Kanpur, Kharagpur, Madras, Guwahati and Roorkee**) along with the Indian Institute of Science, Bangalore in 2003, to provide quality education to anyone interested in learning from the IITs. The main goal was to create web and video courses in all major branches of engineering and physical sciences at the undergraduate and postgraduate levels and management courses at the postgraduate level.

HIGHLIGHTS

Largest online repository in the world of courses in engineering, basic sciences, and selected humanities and social sciences subjects

Online web portal <http://nptel.ac.in> – **more than 471 million+** views

Youtube channel for NPTEL – most subscribed educational channel, 1.5 million+ channel subscribers, 819 million+ views, 50000+ Video Hours.

More than 54000+ hours of video content, transcribed with subtitles

Most accessed library of peer-reviewed educational content in the world.

NPTEL Online Certification Courses

Since 2013, through an online portal, 4-, 8-, or 12-week online courses, typically on topics relevant to students in all years of higher education along with basic core courses in sciences and humanities with exposure to relevant tools and technologies, are being offered. The enrolment to and learning from these courses involves no cost. An in-person, proctored certification exam (optional) will be conducted at Rs. 1000/-per course and a certificate is provided through the participating institutions and industry, when applicable.

NOTES:

- **Library integrates contents from Institutional Digital Repositories of large number of Indian Educational and Research institutions**
- All types of resources, such as Books, Audio Books/Lectures, Video lectures, Lecture Presentations/Notes, Simulations, Question Papers, Solutions, etc. available
- Huge volume of Educational materials authored by large number of authors available
- Content of all languages available. User interface available in widely used Indian languages
- Educational materials available from Primary to Postgraduate levels
- Educational materials available for all subject areas like Technology, Social Science, Literature, Law, Medical, etc.
